

APPRAISER Registration Form for 2009-10

Please type or print plainly. Use one form for each appraiser. Forms should be checked for accuracy by the membership coordinator before being mailed to the regional director or tournament director. Appraisers must be 18 or older and have completed high school. As an appraiser, please remember that you may have to work all during the tournament and will likely miss your child's performance.

Please understand that by filling out this form you have **COMMITTED** to attend the following two events:

- 1. Appraisers' Training: St. George's Independent School, Germantown - February 6, 2010**
- 2. DI Tournament: Hutchison School - February 26-27, 2010**

Both February 6th and February 27th events involve the **full day**. February 26th is simply at most an hour or two with the Challenge Master. If you have a prior commitment on February 6th or February 27th, **DO NOT FILL OUT THIS FORM**. Give it back to the team, and ask them to find another Appraiser.

Note: The Affiliate Finals is on **Saturday, April 17, 2009**. If your team goes on to that Tournament, you will be expected to accompany them to that competition as well.
